TURN OVER
FOR DETAILS

Serving your family, staff, and
Eastern North Carolina since 1984

TO GET STARTED...

1 You Send

- Enrollment form to us by fax to 888-933-5554;
or
 - E-Prescribe to hub location:
Medical Park Pharmacy West
278 Hwy 24, Morehead City, NC 28557;
- Provide a prescription to the patient to take to any of our convenient locations

(Enrollment forms can be downloaded from www.medicalparkpharmacy.net
Click on Speciality Care, click on Provider Services, click on Disease State)

2 We Coordinate

- Benefits investigation and prior authorizations
 - Prescription status reports
- Co-pay card utilization and patient assistance program enrollment
 - Foundation application support and enrollment
 - Appeals assistance and provide sample draft appeal letters
- Patient enrollment in manufacturer nurse support programs
 - Automated refill reminders
- Non-compliance notification to prescribers
 - Prescription transfer if mandated

3 Patient Gets... More than a Mailbox

- Patients have the option of choosing one of our convenient *local* retail pharmacy locations to receive face to face education, drug administration and injection training, possible side effect counseling and additional supportive services from our team of well-respected pharmacists.
- Patients will receive continuity of care from provider to *local* pharmacist that allows for better management of their disease progression therefore producing superior clinical responses and outcomes.

END RESULT - SPECIALTY CARE...BETTER...FASTER...AND CLOSER TO PATIENTS...
